# The SMG Difference

Here at Student Management Group, we pride ourselves on our exceptional service. Even though we work with thousands of students each year, we make sure each and every student receives the personal attention that he or she needs to complete a successful experience abroad.

What separates Student Management Group from other exchange organizations is our ability to work tirelessly to ensure that every student is set up to achieve all of the goals they have for their program. By offering public and private school options, Canadian high schools, U.K. programs, and short term immersion programs, our staff has the knowledge and expertise to direct students to the proper program based on their needs.

## About the SMG F-1 Public Team

- ✓ SMG's F-1 Public Program was founded in 2010 with the goal of adding an element of choice to the traditional public high school program.
- ✓ Our staff has over 20 years of student exchange experience and is committed to giving each student personalized attention to ensure students find a school district that meets their needs.
- ✓ The F-1 Public staff is passionate about student exchange and recognizes that student support is important to a successful program. We offer students a dedicated support system throughout the program to be sure that they are meeting their goals and experiencing the high school exchange of a lifetime.

# District Locations

✓ The F-1 Public Program has partnered with over 70 public school districts all over the United States, that are located in major cities, suburbs, and even small towns.

✓ Our schools offer a high level of academics, as well as a variety of sports, clubs, and advanced-level classes.

✓ Whether students want to experience the beaches of Los Angeles or Miami, the bustling city life of Seattle or Boston, or the outdoor adventures of Denver, the F-1 Public High School Program has a program and a school that is the right fit for every student.

# Why Choose the SMG Public High School Program?

- ✓ Flexible program that allows your students to choose the district that they want to attend.
- ✓ Wide variety of options across the US can appeal to any students and can accommodate a range of budgets.
- ✓ District options are in exciting cities such as Los Angeles, Boston, Seattle, Miami, and Denver.
- ✓ Flexible F-1 Visa allows for re-entry to the U.S. during the program.
- ✓ Students are able to pursue their passions, hobbies, athletics, and even graduate.
- ✓ Short term program options available.
- ✓ Paid host families allow for quick and high quality placements.

## Requirements

- ✓ Students applying to the F-1 Public High School Program must be between the ages of 14 and 18 years old.
- ✓ English level requirements will vary by district.
- ✓ Students can study for a maximum of 1 year on the F-1 Public program, unless enrolled in a Dual-Enrollment Program.

## Program Types

- ✓ Students can apply to the F-1 Public High School Program for a semester, an academic year, or a calendar year.
- ✓ Select districts also offer short-term programs, which range from 9-13 weeks.
- ✓ Select public school districts offer boarding facilities.

# Application Process

- ✓ The F-1 Public School Program offers rolling admission.
- ✓ The F-1 Public team will work with each student on their application until they are accepted by their desired district.
- ✓ Students will apply to a school district. If the district has multiple schools, high school preferences are forwarded to the district offices, but they cannot be guaranteed.
- ✓ Each school district has its own policies and procedures; therefore the acceptance process will vary.

## Program Fees

- ✓ Program fees vary widely from district to district.
- ✓ Fees include school placement, tuition, host family placement and stipend, airport pick up/drop off, 24/7 emergency hotline, and program supervision.
- ✓ Host families provide two meals a day on weekdays and three meals per day on weekends and holidays.
- ✓ Students with US citizenship are eligible to receive significant program discounts.

# Additional SMG F-1 Public Programs

## F-1 Public High School & College Dual Enrollment Program

SMG has partnered with Community Colleges and Universities to offer conditional acceptance at select institutions for students enrolled in the 12th grade. This is a unique opportunity for students to take college courses, earn credit towards a future degree, and remain in the US for a second or third year. Some schools even offer conditional acceptance to a College or University.

### About The Program

- ✓ Students can participate in athletics, clubs, theater, National Honors Society, and much more
- ✓ Two and three year options are available
- ✓ Locations include New York, Maine and Michigan

### Why Choose This Program

- ✓ Academic guidance and graduation support
- ✓ Earn college credit towards a future degree
- ✓ Students receive assistance with the application

# Introducing New F-1 Public Short Term Programs

## *Can't study abroad for a full semester?*

Select districts can offer official transcripts and an exciting cultural and educational experience for students who want the opportunity to live and study in the United States, but do not have a full year or semester to dedicate to the program. All students are placed with caring host families and are supervised by trained SMG Representatives.

## Program Facts

- ✓ Public high school districts
- ✓ Outdoor adventure opportunities
- ✓ Performing and visual arts programs
- ✓ Official transcripts available
- ✓ Small to medium sized schools mean excellent student support
- ✓ Programs range from 12-13 weeks
- ✓ Homestay accommodation
- ✓ Local SMG supervision
- ✓ Graduates accepted
- ✓ Rolling admission

# The SMG F-1 Public Host Family

The host family and student relationship is an integral part of the student exchange experience and often one of the most unforgettable parts of the program. SMG carefully screens and selects each host family in order to place our students with caring families, who will provide a safe and loving environment for the student.

Host families receive compensation for hosting to cover necessary costs such as food, electricity, and gasoline. All families participating in the program are interested in opening their homes and sharing their lives with a student from abroad. These families understand the value of cultural exchange and have a genuine interest in helping an international student understand the American way of life.

# The SMG Local Representative

Each student will be assigned an SMG Local Representative before their arrival in the United States. Our Local Representatives are individuals in the local community who support our exchange students and host families throughout the year. They are trained to assist students with any issues, problems, or questions they may have.

The local representative will contact the student at least once per month (and often more frequently) to make sure that they are adjusting successfully to American culture and family life. SMG also has a 24-hour emergency number available to students, monitored by a staff member in New Jersey, to provide additional support when needed.

# How to apply

## STEP 01 Choose Your School

Select the school that best matches your budget, interests, goals, and location. What are your goals for the program? Are there any courses, sports, or clubs that you want to participate in? SMG will work with your international partner to recommend the best schools to fit your program goals.

## STEP 02 Apply to SMG

SMG uses an online application called EXITS to easily organize all of the documents you will need. Using the application, you or your international partner will upload required documentation like medical history, school transcripts, an English evaluation, and a copy of your passport. In some cases, you may need to complete additional paperwork if it is requested by your chosen school. We will keep you updated on every step of the process! Work directly with one of SMG's international partners to complete and submit your online application through the student portal.

## STEP 03 Acceptance & Host Family

Once you've been accepted to SMG and your chosen district/school, we will start looking for your host family. As soon as we have your host family placement, you will be notified immediately. Each host family fills out an application much like the student application with personal information, pictures, letters, and more! Start communicating with your host family to learn more about them, the community, and the school you'll be attending. Work with your host family to plan the exchange of your dreams!

## STEP 04 Visa & Arrival

Once we send you the host family placement, you will receive your visa documents. You will need to make a visa appointment at the closest US Consulate as soon as possible to obtain your F-1 visa.

## ABOUT THE DISTRICT

With an array of clubs, sports teams, and AP courses, students at Gilbert Public Schools are able to join and take part in many different activities. Students are encouraged to become involved in the community and studies to reach their full potential. Several high schools in this district have been recognized with the School of Excellence award.

## FACILITIES

Gilbert Public Schools have amazing athletic facilities and outdoor sports fields to take advantage of the fantastic weather. Each school also has computers labs, a library, and theater.

The Santa Barbara School District is one of the oldest in the state, dating back to 1866. Offering over 230 academic and elective courses, there is no shortage of exciting and challenging classes in which to partake. The schools promote mutual trust and respect among students and faculty and, with high expectations, the students are empowered to reach their full potential and succeed in today's world. Every school in the district is highly rated, providing fantastic academic opportunities for students.

## FACILITIES

Santa Barbara Unified School District is one of the most popular districts in the SMG network, so please note that it is best to submit student applications by early to mid-February. IB Programs are offered at Dos Pueblos High School.

# COMMUNITY PROFILE

Located on the Central Coast of California, San Luis Obispo is one of the state's most beautiful locations. Great beaches like Maontana De Oro and Aviala Beach make fun in the sun an everyday experience. Outdoor activities such as kayaking, wind surfing, biking, and hiking are just a few of the pastimes enjoyed by residents. California Polytechnic State University is also located in San Luis Obispo.

Population: 47,541  
 Nearest Major City: San Luis Obispo, CA  
 Temperature Range: 8°C to 22°C

## ABOUT THE DISTRICT

Torrance High School is known for its beautiful campus, rich history, and recognizable architecture that has been featured in multiple American TV shows and movies. Torrance High School is located only two miles from the coast, while the second school in the district, Torrance South High School, is only a half mile away from the picturesque shores of one of California's best beaches. This district prides itself on its engaging STEM, arts, and athletics programs.

# TORRANCE SCHOOL DISTRICT

**Torrance, California**

# COMMUNITY PROFILE

Boulder is the home of the main campus of the University of Colorado, the state's largest university. Boulder is known as one of the best cities for outdoor activities, so it is filled with people who embrace an active outdoor lifestyle. One of its treasures is The Pearl Street Mall. Located in downtown Boulder, the mall is a four block long outdoor stretch of endless shopping combined with art galleries and sidewalk cafes.

Population: 107,353

Nearest Major City: Boulder, CO

Temperature Range: -5.5°C to 32°C

## ABOUT THE DISTRICT

Now the fastest growing school district in Colorado, this district is devoted to becoming a national leader. In the last decade, the number of students enrolled in AP courses has doubled due to the efforts of the district. Students have access to many clubs, sports teams, and community activities. Understanding the importance of family and community involvement, the school district urges students to embrace learning outside the classroom.

# COMMUNITY PROFILE

With a lush landscape and warm climate, Orlando residents can enjoy the outdoors year-round. Between the nearby world-famous Walt Disney World Resort and Universal Orlando Studios, there is plenty to do! If you tire of roller coasters, water rides and animal kingdoms, there are golf courses, theaters, museums, and some of the state's biggest malls - all located in downtown Orlando!

Population: 280,257

Nearest Major City: Orlando, FL

Temperature Range: 13°C to 33°C

## ABOUT THE DISTRICT

The Bonneville Joint School District's goal is to prepare all students for a successful future. One of the main developments in the district is the focus on science, technology, engineering, and math (STEM). The district believes this focus will help prepare students to participate, contribute, and compete in the ever changing global economy. The district was also a recipient of the 4th Annual AP District Honor Roll. Hillcrest also offers 3 Month Programs.

## FACILITIES

The main building has 3 gyms, a wrestling room, weight room, aerobics room, tech lab, dance studio, and theater. On campus there is a soccer and football complex, and two baseball fields. There is also a nearby Technical Careers School.

# COMMUNITY PROFILE

Millinocket is a small town located in the north central part of the state of Maine. The area features beautiful forests, numerous lakes, scenic views, and endless recreational opportunities. Over 200,000 acres of unspoiled wilderness is ideal for outdoor sports and activities. There are also opportunities for excellent white-water rafting and boating during the summer season. Winter brings snow and sports like snowshoeing and skiing!

Population: 4,292

Nearest Major City: Bangor, ME

Temperature Range: -2°C to 26°C

## ABOUT THE DISTRICT

Cambridge Rindge and Latin is one of the most impressive schools in the SMG F-1 Public Network. It is one of the best public high schools in Massachusetts, providing fantastic academic, artistic, and extracurricular opportunities for all students. Another fun fact: famous actors Matt Damon and Ben Affleck both attended Cambridge Rindge and Latin for their high school years. The school has fantastic acting classes as a part of the comprehensive arts offerings.

## FACILITIES

Cambridge has multiple cafeterias, 2 gymnasiums, an indoor track, swimming pool, dance and ballet studios, musical practice rooms, and orchestra practice hall, and a theater. The school's classrooms utilize state-of-the-art learning technology.

# COMMUNITY PROFILE

The smaller city of Cambridge lies just across the Charles River from the historic city of Boston. Cambridge is a college town, and the Cambridge Rindge and Latin School is just a block away from the world-renown Harvard University. Cambridge is a cultural hub, with a diverse population, any sort of restaurant you can think of, and plenty of places to shop. There is also quite a lot to do in the surrounding area!

Population: 113,630  
 Nearest Major City: Boston, MA  
 Temperature Range: -8.8°C to 27°C

## ABOUT THE DISTRICT

Maynard High School has high academic standards for its students, making it one of the best schools in Massachusetts. The school's most impressive feature is its own personal radio and television station that is entirely run by Maynard students; a large portion of the student body works together to maintain the program and train new interested students. Maynard's academic and athletic offerings are also impressive.

F-1 Private Boarding School

UK Academic Program

# United States of America

## F-1 Public School Program

Our F-1 Public High School Program strives to increase cultural awareness by immersing our students in vibrant American communities of their choosing. Students who enroll in our Public High School Program will get to take part in the traditional American High School experience.

- ✔ Study in a city of your choice.
- ✔ Attend public high school.
- ✔ Live with a local host family.

## F-1 Private Choice

Our F-1 Private High School Choice Program offers students, the opportunity to further their education by attending a high-level academic institution, while at the same time interacting with American families and friends.

- ✔ 11 to 19 years old.
- ✔ 90+ private schools to choose from.
- ✔ Desirable locations.
- ✔ Host family or boarding accommodations.

## F-1 Private Basic

Our F-1 Private Basic program is an affordable, F-1 visa student exchange program for international high school students. F-1 Private Basic is a no-choice program that will place students in high level private high schools, as well as with volunteer host families

- ✔ Affordable private school programs.
- ✔ High quality school placements.
- ✔ Academic year and semester options.

## Canada

## Canada Academic Program

Our Canadian Academic Program offers students an incredible opportunity to study in one of the best education systems in the world. Students will also get to experience Canadian culture while enjoying an exchange program tailored to their interests.

- ✔ Personalize your entire program.
- ✔ Study in Canada for multiple years.
- ✔ High quality host family placements and education.

## J-1 Public School Program

Since 1952, our J-1 program in the public schools has enriched the lives of international students, guaranteeing a high-quality service to exchanges, schools, families, and local communities. Our goal is to unite the world through education. Each year, we welcome over 2,500 students to the U.S. on our J-1 Public High School Program.

- ✔ Study at a public school.
- ✔ Affordable values- SMG's most affordable program.
- ✔ Live with a volunteer host family anywhere in the U.S.
- ✔ Government sponsored program.
- ✔ Semester of Academic Year programs available.
- ✔ Immersive American experience.

## F-1 Private Boarding School

The MacDuffie School is one of the leading college preparatory schools in the country. MacDuffie has been enriching the minds of students since 1890. Our students are a strong community of learners who are challenged to reach their full potential.

- ✔ 100% acceptance into competitive universities.
- ✔ Challenging college preparation classes & curriculum.
- ✔ Boarding and homestay accommodations.
- ✔ Located within just 2 hours of NYC & Boston.
- ✔ Small class sizes and dynamic learning environment.
- ✔ Exciting weekend trips offered for boarding students.

## UK

## UK Academic Program

The SMG U.K. program offers students the opportunity to study in the historical United Kingdom. Students will get to experience the culture of England, Scotland, Wales, and Ireland. Programs are available for both public and private schools.

- ✔ Boarding and homestay accommodations.
- ✔ Flexible program with short and long term options.
- ✔ High level academics - U.K. education system is ranked 7<sup>th</sup> in the world.

# F-1 PUBLIC HIGH SCHOOL STUDENT SERVICES

## VALUABLE EXPERIENCE

- We have over 30 years of knowledge.
- We have worked with over 5,000 F-1 students.
- We have worked with over 1,000 public high schools across the United States.

## STUDENT ORIENTATION

- Students will meet other exchange students who will be living in the same community.
- Learn tips on how to best adjust to a new home and school.
- Meet the people who will show support throughout the program.

## PROGRESS REPORTS

- Our local representatives who include school & SMG staff support each student's progress throughout the year.
- Beginning in October, a progress report is filled out bimonthly and sent home.
- The progress reports review how students are doing academically & socially.

## GRADE REPORTS

- Our program facilitators check on grades to support academic success for all students.
- If a student is struggling, SMG will work with the school to arrange a tutor or extra help.

## SUPPORT

- Our Student Service facilitators are available every day.
- Our team contributes to student success by communicating with the school, host families, and our international partners.
- Our program facilitators will work together with schools to ensure growth and success while on the program.

## TRAVEL INSURANCE

- All students are insured throughout the duration of their program.
- Students can easily manage coverage from their smart phone and computer.
- Coverage is provided by First Health.

## EMERGENCY SERVICES

- We have a 24/7 emergency number available to: Students, Host Families, Natural Families & Schools.
